Printed in Canada • Revised 11/2018

KEY BENEFITS

- Highly durable; withstands static and rolling loads
- Embossed for superior traction indoors and outdoors
- Shock absorption layer for safety and comfort
- Stain resistant; no specialized maintenance needed
- Non-slip surface for ease in maneuvering wheelchairs in comparison to other synthetic surfaces.
- Designed to channel water away for high performance in all conditions

EXPERIENCE

Mondo's proprietary equipment and vulcanization process ensure that biomechanical and physical properties are consistent.

HEALTH AND SAFETY

- GREENGUARD GOLD certified for better indoor air quality
- 100% recyclable
- Meets ADA requirements
- Contributes toward LEED points
- Granular-free for healthy waterways
- Heavy metals free and will not leach into the environment
- Excellent bacterial, microbial and fungal resistance properties

*Average length from production.

**Custom colors available; minimum quantity required.
